LifeStraw Go

Take the LifeStraw GO with you when you go hiking, camping, or travelling to areas with poor water quality. Use the carabiner to attach to your backpack, or store in your preparedness kit to ensure access to safe, clean drinking water in an emergency.

The LifeStraw filter is the most advanced personal water filter available on the market today. LifeStraw has been rigorously tested to surpass EPA standards for removing E. Coli, Giardia and Cryptosporidium oocysts, and many other waterborne contaminants.
